HAVE A DELIGHTFUL TIME IN THE CITY OF MANY DELIGHTS!

Founded in 1537 by Kempegowda, Bangalore today is a city of many many magnificent memories, many delights.

Its lovely gardens – Lalbagh, founded by Hyder Ali and the Cubbon Park with its Children's Park and Bal Bhavan – are a blooming storehouse of over a thousand kinds of flora. And of course the famous 'Masala Dosa' of the Mayura Restaurant awaits you.

The majestic Vidhana Soudha is reputed to be one of the grandest architectural marvels of Asia. Ulsoor Lake is the city's boating centre. Nightfall transforms it into a magical land, twinkling with coloured lights.

A 20-km drive from the city will take you to the famous Bannerghatta National Park where lions roam free and visitors travel in closed jeeps! Ramohalli, 25 kms out of Bangalore, boasts of the largest Banyan tree in the whole of Karnataka. Nandi Hills, the summer resort of the Maharajahs, is only 60 kms away...

Come to Bangalore – and have a delightful time in the city of many delights!
